Certification of Electronic Filing Submission

The Intuit Electronic Postmark is deemed the filing date if the date of the electronic postmark is on or before the date prescribed for filing of the federal business income tax return/extension. This information should be kept along with the tax return/extension as an official filing record.

There are two important aspects of the Intuit Electronic Postmark:

1. The Intuit Electronic Postmark.

The electronic postmark shows the date and time Intuit received the federal return/extension, and is deemed the filing date if the date of the electronic postmark is on or before the date prescribed for filing of the federal business income tax return/extension.

Timely Filing:

A federal business income tax return/extension must be postmarked by midnight, of its due date, for the IRS to consider it timely filed. Intuit issues the electronic postmark in the Pacific Time Zone. In general, the Intuit Electronic Postmark time must be adjusted to the electronic return originator's (ERO) Local Time Zone. For example, if the ERO is located in the Eastern Time Zone, add three (3) hours to the Intuit Electronic Postmark time to determine the actual postmark time.

If the federal tax return/extension is rejected, the IRS will still consider it timely filed if the electronic postmark is on or before its due date, and a corrected return/extension is submitted electronically within 5 business days of the due date, and is then accepted. If the taxpayer requests an automatic extension of time to file, the return must be electronically postmarked by midnight of the extended due date, for the IRS to consider it timely filed.

If the extended federal tax return is rejected, the IRS will still consider it timely filed if the electronic postmark is on or before the first or second extended due date, respectively, and the corrected return is electronically submitted within 5 days of the extended due date, respectively, and then accepted.

2. The Acceptance Date.

Once the IRS accepts the electronically filed return/extension, the acceptance date will be provided by the Intuit Electronic Filing Center. This date is proof that the IRS accepted the electronically filed return/extension.
